I have over 13 years of experience in the horse industry and have been active in showing jumping, dressage and breed shows. Nothing is more frustrating than to be away from home and have a horse sore and not know what to do; I decided to learn massage to help my horses, not only to get over injuries, but to improve their performance. After years of performing massage on my own horses, I decided to become certified and am now dedicated to improving the performance of all horses.

Payments are due when services are rendered. I take cash, check or you can go to my website [www.riskoutwest.com](http://www.riskoutwest.com) and pay through paypal. Sherry Busch POB 88176 COS, CO 80908 719-237-8747
